The 2017 Cabernet Sauvignon exhibits elegant aromas of ripe raspberry, plumb and black cherry, with notes of rose petal, cinnamon and all spice. The subtle oak spice tones are well integrated with the fruit and floral aromas in this wine. On the palate there is a silky texture with smooth tannins and long lingering finish. Flavors of candied cherries, and blackberry kirsch are intermixed with secondary notes of vanilla bean, mocha and cocoa nibs. The 2017 is showing well at a young age, however the wine has a nice tannin structure to age gracefully for the next 7-10 years.

Thirty majestic acres in the heart of Napa Valley – once a welcoming landmark for the Pony Express – is now home to the Sinegal Estate Winery.

The philosophy of our founders, Jim & David Sinegal, is to honor both tradition and innovation. They have fully restored the 1881 Victorian home and its companion guesthouse on the estate and are taking meticulous care farming the twenty-plus year-old vines they inherited when they purchased the historic property in 2013.

And they have shown an equal commitment to making the best wine possible, integrating innovation and technology into winemaking practices; our new state-of-the-art winery is replete with an optical sorter and custom-built automated fermentation tanks and our process involves no less than 1,403 steps from vine to bottle.

Proprietor, David Sinegal, and Winemaker, Ryan Knoth, are both steadfast in producing wines approachable in their youth (yet fit to age) that capture the true spirit our magnificent estate. A Bordeaux varietal house at heart, Sinegal Estate produces an exquisite Cabernet Sauvignon, Reserve Cabernet Sauvignon, Sauvignon Blanc, and some of the best Cabernet Franc the Napa Valley has ever seen.
